

Epidemic/Pandemic Patron Code of Conduct Addendum

In order to keep staff and the public safe:

- Don't come to the library if you feel sick or have been exposed to COVID-19.
- Face coverings are required for staff and patron safety
- Maintain 6 feet physical distance in all areas of the library.
- Follow library safety procedures and instructions.
- No food or drink, including closed containers.

Patrons are asked to limit personal items brought into the library, and avoid setting things down.
Patron visits are limited to one member per household.

Those who do not wear a face covering will be limited to curbside service, subject to staff availability.

While we are following the state reopening safety guidelines, patrons should be aware that there is some risk inherent in using shared spaces with shared materials. We cannot guarantee a perfectly safe space.
